

Committee Issues Final Call to JOCS-AOCS Joint Meeting in LA

Plans for the JOCS-AOCS 1972 Joint Meeting have been completed, and the local committee is issuing its final call to members to travel to Los Angeles, April 23-26. Headquarters for the meeting will be the Los Angeles Hilton Hotel.

This meeting will be the first to combine the talents of the American Oil Chemists' Society and the Japan Oil Chemists' Society. Robert Conner, Technical Program Chairman, reports that there will be participants from the following countries in addition to the U.S. and Japan: France, Germany, Italy, The Netherlands, Czechoslovakia, USSR, England, Australia, Mexico and Canada. See February JAOCS for details of the program and abstracts of papers to be presented.

Mrs. L.O. Leenerts, Ladies Program Chairman, extends a special invitation to the spouses of AOCS members to come along to the meeting for three days of sightseeing and social events. Those arriving early may be part of a Disneyland tour. Details will be provided in a special letter.
