Fourteen Symposia Planned

AOCS to Meet in Ottawa in Fall of '72

This fall, for the second time in its history, the American Oil Chemists' Society will come to Canada. The 1972 Fall Meeting will be held in Ottawa, Canada's capital, September 24-28.

The organizing committee, hoping to make this the best conference held outside the territorial boundaries of the U.S., plans for 14 symposia to be held in conjunction with the meeting. The symposia topics and chairmen are as follows: (1) *Rapeseed Oil Nutrition*, Joyce Beare-Rogers, Department of National Health and Welfare, Ottawa; (2) *Rapeseed Breeding*, Keith Downey, Canada Department of Agriculture, Saskatoon, Sask.; (3) *Rapeseed Oil Processing*, Berd Weinberg, Department of Industry, Trade and Commerce, Ottawa; (4) *Rapeseed Oil Marketing*, James McAnsh, Rapeseed Association of Canada, Winnipeg, Man.; (5) *Marine Lipids—Mammals*, Robert Ackman, Fisheries Research, Halifax, N.S.; (6) *Marine Lipids—General*, Carter Litchfield, Rutgers University, New Brunswick, N.J.; (7) *Membrane Lipids and Structure*; (8) *Food Lipids*, René Riel, Université Laval,

Quebec City, Que.; (9) *Plasticity of Lipids*, John de Mann, University of Guelph, Guelph, Ont.; (10) *Processing of Edible Oils*, Ted Mag, Canada Packers, Toronto, Ont.; (11) *Analysis of Polymerized Products in Fatty Acids, Oils and Derivations*, Arthur Walkling, Best Foods, Union, N.J.; (12) *New Advances in Analytical Techniques—Laboratory and in Process*, Sam Herb, USDA, Philadelphia, Pa.; (13) *Pollution via Effluent*, K. Shikazi, Department of the Environment, Ottawa; (14) *Milk Lipids*, Lloyd Smith, University of California, Davis, Calif.

The organizing committee wishes to encourage the widest possible participation of the membership in the fall meeting, and anticipates that the symposia will be composed of 50-60 minute papers plus the same number of submitted 15-20 minute papers.

Abstracts are due no later than May 15 and should be sent to: Dr. Neil Tattree, Chairman, Scientific Program Subcommittee, AOCS Fall Meeting, c/o Division of Biology, National Research Council of Canada, 100 Sussex Drive, Ottawa, Ontario, Canada K1A 0R6.
