

60 participate in Northern California Section meeting

Mr. and Mrs. Lee Avera, Mrs. Bill Wood and Glen Krawiec.

Moderator Lloyd Smith speaks to participants in the AOCS Northern California Section's day long technical session, held October 27 on the UC campus in Davis. Smith is urging his audience to attend the AOCS Fall Meeting in Ottawa, Canada.

Glenn Fuller, George Cavanagh, Paul Knowles, Ernie Jacobson, Dave McClung, Fred Palmer, Merton Boomer, John Brughn, Mrs. Merton Boomer and Glen Krawiec.

Chuck Heidel, Ernie Jacobson, Dave McClung, Bob Delmont and Dick Purdy.

Left to right: Chuck Heidel, Sherman Lee, Bob Delmont, Bob Bean, George Cavanagh and Leroy Lambright.

One attractive feature of the all day technical session was a midday buffet.

Rose Marie Pangborn's contribution to the program was "Relating Sensory Evaluations to Physical and Chemical Properties of Foods."

Robert Hodges discusses "The Link between Dietary and Heart Disease."

Paul Knowles reviews "Current Research at UC Davis on the Fatty Acid Composition of Safflower and Sunflower Oils."

Harold Olcott delivers his paper on the "Present Status of Antioxidant Research."

Mrs. Francis McKenna, Mr. and Mrs. Fred Palmer and Francis McKenna.
