

# AMSTERDAM FROM CHICAGO ROUND TRIP INCLUDING HOTEL

## \$485.00\*

(One-stop tour charter; other arrangements also available)

for the

### WORLD CONFERENCE ON OILSEED AND VEGETABLE OIL PROCESSING TECHNOLOGY

\* Per person, double occupancy. Single occupancy, add \$81.00.

**COST INCLUDES:** Round trip charter flight from Chicago to Amsterdam and return, round trip transfers between airport and hotel in Amsterdam, nine nights at the Amsterdam Crest Hotel with a full buffet breakfast each morning and including taxes and services at the hotel.

**CHARTER REGULATIONS:** The one-stop tour charter (OTC) is with Pan American and replaces the affinity charter previously announced in JAOCS and elsewhere. Whereas the affinity charter required that participants be members of AOCS six months prior to departure, OTC's are open to any conference participants, thus increasing the likelihood that the charter will be filled. OTC's require that certain ground arrangements be prepaid; therefore, AOCS has included hotels and transfers in the package price. OTC's have only been approved recently by the Civil Aeronautics Board, and offer World Conference participants an opportunity to travel to Amsterdam at the least possible cost. Since passenger lists must be definite well in advance of departure, participants are urged to make reservations now. The charter leaves Chicago on February 27, 1976 and returns from Amsterdam on March 8, 1976.

**OTHER GROUP ARRANGEMENTS:** Special affinity group space has been reserved from both Chicago and New York round trip. These flights will require 40 eligible passengers each. To be eligible for affinity groups, an individual must be a member of AOCS for six months prior to departure. The family of eligible participants also qualify for affinity flights. Affinity groups will leave Chicago and New York on February 27, 1976 and are now scheduled to return on March 12, 1976. Costs, based on current tariffs and subject to a possible slight increase, are \$311.00 from New York and \$387.00 from Chicago. Affinity rates do not include any hotel arrangements. Affinity arrangements have been made on regularly scheduled KLM Royal Dutch Airlines flights.

**DEPOSITS AND CANCELLATIONS:** A \$50.00 per person deposit is required with the reservation form. In the event the flights are cancelled by the AOCS, full refunds will be made. Cancellation made by passengers by December 15, 1975, will be refunded in full and such cancellations made after December 15 will be refunded if passengers can be replaced by others on the official list.
