

Going to Amsterdam?

Latest Travel Information for the World Conference on Oilseed and Vegetable Oil Processing Technology

AFFINITY FLIGHTS EXPANDED: Early interest in group travel to Amsterdam has centered on the affinity group offerings. To meet this interest, additional seats have been reserved.

OTC CHARTER CANCELLED: Shortness of deadlines and the need to advance sizeable non-refundable deposits have forced AOCS to cancel the previously announced charter flight from Chicago. While affinity fares are somewhat higher than charters, they still afford a savings of \$272 to \$332 per person when compared to economy fares.

RESERVE SPACE NOW: Space on group flights is limited. Delays in making reservations may make it impossible for you to qualify for group rates. Do not delay.

AFFINITY GROUP SERVICES: Included in the prices are round trip fares on regular KLM flights, round trip ground transfers in Amsterdam, and baggage handling. Hotel rates are not included. As long as space lasts, group flight participants will be housed at the Crest Hotel where rates are approximately \$25.00 single and \$32.00 double including taxes, services, and full American buffet breakfast. *To ensure accommodations at these rates, reserve space early!*

COSTS: The prices quoted below are those effective November 25, 1975, and reflect a recent rate increase. The actual cost of the trip will be the CAB regulated fare in effect on the day of departure. There is a current petition

for a 3 percent increase to be effective after January 1, 1976. *Note the savings when compared to regular economy fares.*

	Round Trip Economy*	Round Trip Affinity*	SAVE*
From Chicago	\$760	\$428	\$332
From New York	\$626	\$352	\$272

*Including services mentioned above.

AOCS GROUP SCHEDULES: To date, arrangements have been made for three affinity groups:

From Chicago:

Group A: Leaves February 27, 1976; returns March 8, 1976.

Group B: Leaves February 27, 1976; returns March 12, 1976.

From New York:

Group C: Leaves February 27, 1976; returns March 12, 1976.

Current KLM schedules show flights leaving Chicago and New York at 4:50 p.m. and 6:15 p.m. and arriving on return flights to those cities at 4:00 p.m. and 3:15 p.m. respectively. These are subject to change and are only to be used for preliminary planning.

REGULATIONS: Affinity groups require 40 eligible passengers each who travel round trip together. Members of the sponsoring organizations *and their families* are eligible. The flights have been formed to provide economical travel for participants in the World Conference on Oilseed and Vegetable Oil Processing Technology and are not to be used by others not involved in the Conference.

DEPOSITS AND CANCELLATIONS: A \$50.00 per person deposit is required with reservations. If AOCS cancels the flights, refunds will be made in full. If passengers cancel on or before January 27, 1976, refunds will be in full. Passenger cancellations received after January 27, 1976, will be refunded in the amount retrievable from the airlines under rules governing affinity flights.
