

President's Club and Honor Roll

©VOLK

The members listed here have qualified for either the AOCs President's Club or President's Honor Roll. All current members who successfully recruit at least one new member qualify for Club membership. Successful recruitment of at least three new members is the qualification for the more prestigious Honor Roll. All Club and Honor Roll members will receive further recognition and the opportunity to participate in other special programs and activities. Special forms for use in recruiting new members are available from the AOCs headquarters.

STIRRED REACTORS

**PARR
Series
4500**

- Sizes one liter to one gal.
- Pressures to 2000 psig.
- Temperatures to 350° C.
- Automatic temp. control.
- Available in all principal corrosion resistant alloys.

For developing new formulations.
For studying reaction parameters.
For producing complex chemicals
in bench-scale quantities.
