Lundberg Receives BAST Award

Former AOCS president Walter O. Lundberg was presented the BAST award of Denmark's C.E. Basts in May 1976.

The award, accompanied by a silver medal, was given to Lundberg by the Copenhagen firm for his distinguished work in the fields of lipids and research on fats and oils.

Lundberg, retired executive director and professor of biochemistry at The Hormel Institute of the University of Minnesota, was AOCS president in 1963. ■
