## AOCS artist-chemists win awards

AOCS member Dolores Kenney of Park Ridge, IL, received several awards for an oil painting "Tunnel Vision" during the 12th International Exhibition of Art by Chemists, held in conjunction with the American Chemical Society's recent meeting in Chicago. "Tunnel Vision" received second prize in the oils and acrylics category, the Louis L. Lerner Art Award, and won the popular award (based on visitors' ballots).

AOCS member Clifford Rowley of Fair Lawn, NJ, received third in the contemporary art forms category with his metal sculpture entitled "Hands."
