

President's Club & Honor Roll

The members listed here have qualified for either the AOCs President's Club or President's Honor Roll. All current members who successfully recruit at least one new member qualify for Club membership. Successful recruitment of at least three new members is the qualification for the more prestigious Honor Roll. All Club and Honor Roll members will receive further recognition and the opportunity to participate in other special programs and activities. Forms for use in recruiting new members are available from the AOCs Headquarters. This is the first listing for the 1979/80 President's Club and Honor Roll; a new listing begins each year following the AOCs Annual Meeting.
