[Received July 29, 1982]

ERRATUM

In the article "Rapid Determination of Wax in Sunflower Seed Oil" appearing in the July 1982 issue of *JAOCS* (Morrison, III, 59:284 [1982]), the following error was printed under Results and Discussion, paragraph 2. The quadratic equation should read " $y = -10.03 + 15.66 (x) - .0209 (x^2)$ " and not " $y + 1.68 + 0.56 (x) + 1.3 \times 10^{-5} \times 2$ ".
