

ERRATA. 194. *Electronic Structures and Formulæ: the Allyl Cation, Radical, and Anion.*

By D. M. HIRST and J. W. LINNETT.

THE Editor regrets the following misprints in the paper published (*J.*, 1962, 1035) under the above title:

Formulæ should read as follows:

P. 1039. In Table 2, bottom right-hand corner, for 1.719 read 0.719

P. 1040, l. 8 from bottom: for  $\psi_1\sqrt{2}^+$  read  $\psi_1^+\sqrt{2}$

P. 1041, l. 6 from bottom: for  $(a + kb, + c, a \dots)$  read  $(a + kb + c, a \dots)$

P. 1042, in valence-bond formula A, for  $k\psi_1^+$  read  $k\psi_1$ , and for  $k_2\psi_3$  read  $k^2\psi_3$

P. 1043, in valence-bond formula A, for  $k\psi_1^+ + 2\psi_3^+ + k^2\psi_4^-$  read  $k\psi_1^- + 2\psi_3^- + k^2\psi_4^-$
