

COMPOUND INTEREST ?

- We can search for this specifically as 1746-01-6 (CAS Registry Number)
- We can search for related compounds via DIBENZO [B, E] [1, 4] DIOXIN, the CA Index Name of the governing system
- We can look for the co occurrence of the specific compound or related compounds with words such as HAZARDS CYTOCHROME, CLEAN-UP, MASS SPECTROMETRY appearing in titles or index entries
- We can deliver to you, every two weeks, details of documents satisfying the specifications of your particular search

If you have a 'Compound Interest', why not write to us for details of the UKCIS CURRENT AWARENESS SERVICE which is based on Computer Searching of CA SEARCH, covering all documents printed in Chemical Abstracts. A small outlay to keep you up-to-date with the world's chemical literature in your particular field is likely to pay dividends in time and money.

CA SEARCH covers all aspects of chemistry and is particularly suited for searches on specific compounds identified via the CAS Registry Number, or related compounds via the CA Index Name. Whatever your interest, you will find the service an economical and efficient means of keeping up-to-date.

All other orders should be sent to: The Royal Society of Chemistry, Distribution Centre, Blackhorse Road, Letchworth, Herts. SG6 1HN

The many facets of organic reactions, natural products, studies of mechanism, theoretical organic chemistry, bioorganic studies, spectroscopy related to organic chemistry covered comprehensively in

The Journal of Organic Chemistry

Recognized by many organic chemists as the leading American journal in the field, this biweekly publication brings subscribers approximately 1,000 Articles, Notes, and Communications each year. International in scope, it offers readers original contributions on fundamental research in all branches of the theory and practice of organic chemistry. Improved procedures, accounts of novel observations or compounds of special interest are also noted.

Complete and mail the coupon today to join the thousands of organic chemists who find this journal vital in keeping current in the field.

THE JOURNAL OF ORGANIC CHEMISTRY 1981
 American Chemical Society — Dept. 0942Y
 1155 Sixteenth Street, N.W.
 Washington, D.C. 20036 U.S.A.

YES, I would like to receive THE JOURNAL OF ORGANIC CHEMISTRY at the one year rate checked below:

One Year Rate (Twenty-six issues)

\$144 U.S.
 \$156 All Other Countries — Surface Postage Included
 \$176 All Other Countries — Air Freight Rate Included

Bill me. Bill company. Payment enclosed. (*Payable to American Chemical Society*)

Foreign payment must be made in U.S. currency by international money order, UNESCO coupons, U.S. bank draft, or order through your subscription agency.

Name _____ Title _____
 Organization _____
 Address _____
 City, Country _____

Journal subscriptions start January 1981. Allow 60 days for your first copy to be mailed.
