

## Calendar

### *1988 Meetings*

- |               |   |
|---------------|---|
| Apr. 20–21    | Interfaces; Ceramic–Ceramic, Ceramic–Metal Joining, Petten, The Netherlands |
| Apr. 21–27    | Hannover Trade Fair, New Materials, Hannover, FRG                           |
| Apr. 25–27    | Hot Isostatic Pressing, Antwerp, Belgium                                    |
| May 1–5       | 90th Annual Meeting, American Ceramic Society, Cincinnati, Ohio, USA        |
| May 9–13      | Materials & Engineering Design, London, UK                                  |
| May 31–Jun. 2 | European Materials Research Society, Strasbourg, France                     |
| May 31–Jun. 3 | Tech–Mat, Exhibition on Advanced Materials, Paris, France                   |
| Jun. 13–17    | Composites, Cleveland, Ohio, USA  |
| Aug. 15–17    | The Mechanics of Creep Brittle Materials, Leicester, UK                     |
| Aug. 22–26    | Austceram 88, Sydney, Australia   |
| Aug. 22–27    | Phase Interactions in Composites, Patras, Greece                            |
| Aug. 28–31    | Structural Ceramics, Montreal, Canada                                       |
| Sep. 5–9      | Metallic and Ceramic Composites, Roskilde, Denmark                          |
| Sep. 19–22    | Composites; Congress & Exhibition, Wiesbaden, FRG                           |
| Sep. 19–22    | 2nd International Symposium on Brittle Matrix Composites, Jadwisin, Poland  |

- Sep. 27–29 Electroceramics, Brussels, Belgium  
Oct. 12–14 Ceramic Powder Processing Science, Berchtesgaden, FRG  
Oct. 18–22 Ceramitec '88 and Annual Meeting of the DKG, Munich, FRG  
Nov. 27–30 3rd International Symposium on Ceramic Materials and Components for Engines, Las Vegas, Nevada, USA  
Dec. 14–16 7th Simcer, High Technology Ceramics, Bologna, Italy

*1989 Meetings*

- Apr. 23–28 World Conference on NDT, Amsterdam, The Netherlands  
Apr. 26–28 3rd International Conference on Joining Ceramics, Glass and Metal, Bad Nauheim, FRG  
Sep. 4–8 Sintering, Herceg Novi, Yugoslavia
