

## Calendar

### *1988 Meetings*

- |            |   |
|------------|---|
| Oct. 18–22 | Ceramitec '88 and Annual Meeting of the DKG, Munich, FRG  |
| Oct. 23–26 | International Symposium on Combustion and Plasma Synthesis of HT Materials, San Francisco, USA      |
| Oct. 26–28 | 1st National Conference and Exhibition on Advanced Ceramics, Faenza, Italy                          |
| Nov. 3     | NDT of Ceramics, Harwell, UK  |
| Nov. 8–10  | Europe MRS High Temperature Superconductors, Solid State Ionics, Strasbourg, France                 |
| Nov. 27–30 | 3rd International Symposium on Ceramic Materials and Components for Engines, Las Vegas, Nevada, USA |
| Dec. 5–6   | Wear of Ceramics, National Physical Laboratory, Teddington, UK                                      |
| Dec. 7–9   | 1st International Symposium and Exhibition, Ceramics for Environmental Protection, Cologne, FRG     |
| Dec. 14–16 | 7th Simcer, High Technology Ceramics, Bologna, Italy  |
| Dec. 19–21 | Advanced Ceramics in Chemical Process Engineering, London, UK                                       |

*1989 Meetings*

Jan. 18–20	Composites and Advanced Ceramics, Cocoa Beach, Florida, USA
Apr. 23–28	World Conference on NDT, Amsterdam, The Netherlands
Apr. 26–28	3rd International Conference on Joining Ceramics, Glass and Metal, Bad Nauheim, FRG
June 19–23	Science of Ceramics 15, Maastricht, The Netherlands
June 25–29	Composites for High Temperature, Jerusalem, Israel
Sep. 4–8	Sintering, Herceg Novi, Yugoslavia
