

24th MEETING OF I.S.E.

Second announcement:

24th meeting of I.S.E. (formally C.I.T.C.E.), Eindhoven, Netherlands, 9–14 September 1973

Theme: Solid electrolytes, ion transport in insulating layers, and their applications.

Deadline for enrolment: 1 June 1973

For further information please apply to Dr. F. A. Schneider, Organizing Committee, Technische Hogeschool Eindhoven, Laboratorium Voor Elektrochemie, Postbus 513, Eindhoven, Netherlands.

GALLOWAY MEDAL

The Institution of Corrosion Technology invite submissions for the Galloway Medal which will be awarded for the first time in 1973. This medal has been established by the Institution in memory of the late Mr J. O. Galloway, who was instrumental in establishing the Institution in 1966.

The medal will be awarded for the best essay on 'Corrosion control in a specific system by practical application of electrochemical principles with an assessment of the economic gain' or project report, submitted by a candidate under 25 years of age. Further details may be obtained from the Hon. Secretary, Institution of Corrosion Technology, 14 Belgrave Square, London, SW1X 8PS.
