

**THE THIRD ALL-RUSSIA CONFERENCE ON
THE THEORY OF ELASTICITY
WITH INTERNATIONAL PARTICIPATION†
(13–16 October 2003, Rostov-on-Don, Russia)**

The Russian National Committee on Theoretical and Applied Mechanics, the Russian Academy of Sciences Scientific Council on Deformable Rigid Body Mechanics, the Rostov State University, and the I. I. Vorovich Scientific Research Institute of Mechanics and Applied Mathematics are holding the Third All-Russia Conference on the Theory of Elasticity, with International Participation (the first and second conferences were held in Yerevan in 1979 and in Tbilisi in 1984).

The conference will cover the following subjects:

1. Non-linear problems of the theory of elasticity.
2. Plane and three-dimensional problems of the theory of elasticity.
3. Dynamic problems.
4. Mechanics of thin-walled structures.
5. Related physico-mechanical fields.
6. Mixed and contact problems.
7. Mechanics of elastic composites.
8. Fracture mechanics.
9. Computational mechanics.
10. Nanomechanics.
11. Biomechanics.

Organizing Committee of the Conference: V. M. Aleksandrov, V. A. Babeshko, V. G. Bazhenov, A. V. Belokon' (Chairman), R. V. Gol'dshtein, A. G. Gorshkov, I. G. Goryacheva, D. A. Indeitsev, I. A. Kiiko, D. M. Klimov, L. Yu. Kossovich, A. S. Kravchuk, V. N. Kukudzhanov, V. P. Matviyenko, G. K. Mikhailov, N. F. Morozov, V. P. Myasnikov, I. F. Obraztsov, V. A. Pal'mov, B. Ye. Pobedrya, P. Ye. Tovstik, K. V. Frolov, Yu. A. Ustinov, G. G. Chernyi, K. F. Chernykh, and S. A. Shesterikov.

Regional Organizing Committee of the Conference: A. O. Vatul'yan, L. M. Zubov, V. A. Yeremeyev, Ya. M. Yerusalimskii, V. V. Kalinchuk, M. I. Karyakin, A. V. Nasedkin (Deputy Chairman), V. G. Safronenko, and A. S. Yudin.

It is proposed to publish the proceedings of the conference in the form of a symposium abstracts and papers. The length of an individual scientific paper should not exceed three pages in special L^AT_EX format. A single author can present no more than two papers. The working languages of the conference will be Russian and English.

Address of the Organizing Committee

344090, Rostov-on-Don,
Rostov State University Scientific Research Institute of Mechanics and Applied Mathematics,
pr. Stachki, 200/1,
Lidiya Mikhailovna Yudina, Scientific Secretary
