EDITORIAL

Editorial Change - It is with great pleasure that I announce that the *Journal of Carbohydrate Chemistry* has two new Regional Editors; Dr. Robert Giuliano, Department of Chemistry, Villanova University, Villanova PA 10985, USA; and Dr. T. Bruce Grindley, Department of Chemistry, Dalhousie University, Halifax, Nova Scotia, Canada B3H 4J3. Both Bob and Bruce bring to the Journal youthful vitality, strong scientific backgrounds, and proven ability in carbohydrate chemistry. We who are associated with the Journal look forward to working with Bob and Bruce as they begin their editorial duties.

This Editorial also provides me the opportunity to thank Drs. Roger W. Binkley and David C. Baker for their guidance and support in developing and maintaining the Journal over the past eight years. Roger and Dave have recently decided to step down as Regional Editors and go on to other things. On behalf of all the Editors and Editorial Board Members I wish them all the best as they continue to foster and develop the field of carbohydrate chemistry.
