THE NUMERICAL SOLUTION OF DIFFERENTIAL EQUATIONS

The University of Dundee biennial conference on numerical analysis will take place from the 3rd to the 6th of July, 1973. The area for discussion will be the Numerical Solution of Ordinary and Partial Differential Equations.

The conference will be held in the University of Dundee with accommodation being available in Belmont Hall, a university residence situated on the campus. A list of invited speakers and arrangements for submitted papers will be available shortly from:
