

Call for Papers

Second International Symposium on Numerical Methods in Engineering

*Organized by GAMNI (Groupe pour l'Avancement des Méthodes Numériques de
l'Ingénieur)*

École Centrale des Arts et Manufactures, Paris, France, 1-5 December 1980

Following the success of the first international symposium in 1978, GAMNI is organizing a second one, again on Numerical Methods in Engineering. The aim of this symposium is to survey the state-of-the-art of advanced numerical techniques in such fields as Biomathematics, Chemical Engineering, Electrical Engineering, Fluid Mechanics, Meteorology, Numerical Software, Nonlinear Behaviour in Solid Mechanics, Optimum Design, and Structural Analysis.

The deadline for the submission of 1000-word abstracts is March 31, 1980. Authors will be advised of acceptance by May 31, 1980. Completed manuscripts will be due by September 15, 1980.

Prospective authors should submit their abstracts to

Professor H. Veysseyre
Département de Mathématique et Informatique
École Centrale des Arts et Manufactures
Grande Voie des Vignes
92290 Chatenay Malabry
France
