

Announcement

Seventh GAMM Conference on Numerical Methods in Fluid Mechanics

Louvain-la-Neuve, Belgium, September 9-11, 1987

This Conference, which will be held at the Faculté des Sciences Appliquées, Université Catholique de Louvain, will be concerned with the theory and application of numerical methods in fluid mechanics. Emphasis will be on the development of novelties in methods.

The deadline for receipt of abstracts (one page, two pages maximum) is March 15, 1987.

For further information about the Conference and registration forms please contact the Conference chairman:

Professor M. Deville
Unité de Mécanique Appliquée
2, Place du Levant
1348 Louvain-la-Neuve, Belgium
