This article may be used for research, teaching and private study purposes. Any substantial or systematic reproduction, re-distribution, re-selling, loan or sub-licensing, systematic supply or distribution in any form to anyone is expressly forbidden.

The publisher does not give any warranty express or implied or make any representation that the contents will be complete or accurate or up to date. The accuracy of any instructions, formulae and drug doses should be independently verified with primary sources. The publisher shall not be liable for any loss, actions, claims, proceedings, demand or costs or damages whatsoever or howsoever caused arising directly or indirectly in connection with or arising out of the use of this material.

## Erratum

In volume 23, issue 1 of the *Journal of Energetic Materials*, the incorrect figure appeared in “Crystal Structure of the 1:1 Adduct of Hexanitrostilbene and Dioxan” by Anthony J. Bellamy et al., pages 33–41. The correct figure is shown below. The article can be viewed in its entirety online at [www.metapress.com](http://www.metapress.com). The publisher apologizes for any inconvenience caused.

**Figure 6.** Simulated XRD powder plots from single-crystal data: (a) HNS-dioxan adduct, (b) HNS.
