

CORRIGENDUM

Exact nonlinear helical oscillations in magnetohydrodynamics

By H. MURATA

J. Fluid Mech. vol. 100, 1980, pp. 31–34

We regret overlooking that our solution obtained in this paper is a special case of a solution previously published by Kulikovskiy & Lyubimov (1965) (chap. 2, 3. 'Wave motion of an ideal fluid').

The name Wallén on p. 31 should be Walén, and the term $u_0^2/2k$ on p. 33 (line 6) should be $ku_0^2/2$.

The author would like to thank Dr T. Namikawa for bringing the published work to his attention.
