

Announcement from the Publisher

ELSEVIER SCIENCE PUBLISHERS

prefers the submission of electronic manuscripts

Electronic manuscripts have the advantage that there is no need for the rekeying of text, thereby avoiding the possibility of introducing errors and resulting in reliable and fast delivery of proofs.

The preferred storage medium is a 5 $\frac{1}{4}$ or 3 $\frac{1}{2}$ inch disk in MS-DOS format, although other systems are welcome, e.g. Macintosh.

Your disk and (**exactly matching**) printed version (printout, hardcopy) should be submitted together to the accepting editor. In case of revision, the same procedure should be followed such that, on acceptance of the article, the file on disk and the printout are **identical**. Both will then be forwarded by the editor to Elsevier.

Please follow the general instructions on style/arrangement and, in particular, the reference style of this journal as given in 'Instructions to Authors'.

Please label the disk with your name, the software & hardware used and the name of the file to be processed.

Further information can be found under 'Instructions to Authors - Electronic manuscripts'.
