Erratum

“A New Fluorogenic Reagent for Labelling Carboxylic Acids in HPLC,”
by E. Gikas, M. Derventi, I. Panderi, A. Vavayannis, M. Kazanis, and
M. Parissi-Poulou, *J. Liq. Chrom. & Rel. Technol.*® 2002, 25 (3), 381–395;
and **“Determination of Valproic Acid in Human Plasma by HPLC with
Fluorescence Detection,”** by S. Rompotis, M. Parissi-Poulou, E. Gikas,
M. Kazanis, A. Vavayannis, and I. Panderi, *J. Liq. Chrom. & Rel.
Technol.*® 2002, 25 (18), 2833–2847.

It should be noted that the correct name of the reagent that was synthesized and applied to the analysis in both papers is *N*-(7-methoxy-4-methyl-2-oxo-2H-6-chromenyl)-bromoacetamide instead of *N*-(4-bromo-methyl-7-hydroxy-2-oxo-2H-6-chromenyl)bromoacetamide, which was stated in error throughout the first paper and on page 2834 and in the Scheme 1 legend (page 2837) in the second paper.
