Published in J.M.S.-PURE APPL. CHEM., A34(9), pp 1515-1533 (1997)

Please, note as result of the printing process the above paper was unfortunately printed with some typographical errors. Thus, the most significant have been to be corrected as follows:

On page 1515, the paper title incorrectly gave the name of the substance class as $\alpha,\omega,4$ -TERMINATED DISILOXANES. The correct name is: α,ω -TERMINATED DISILOXANES.

On page 1525 the paper incorrectly gave Equation (6). The correct Equation is:

$$\ln(t) = \ln\left(\frac{-\ln(1-x)}{k(x)}\right) - \beta \ln(I_0) \quad (6)$$

On page 1526 the paper incorrectly gave Equation (8). The correct Equation is:

$$R_p^D = -\frac{d[M]}{dt} = k_p[M][P^+] \quad (8)$$

Finally, on page 1528 the paper incorrectly gave Equation (11). The correct Equation is:

$$[P^+] = \frac{\Phi_{R^+} \cdot I_{\text{abs}}}{k_t} \quad (11)$$
