### **Dr. Daniel F. Schmidt**

Assistant Professor, Department of Plastics Engineering  
B.S. in Materials Science & Engineering, Carnegie Mellon University  
B.S. in Chemistry, Carnegie Mellon University  
Ph.D. in Materials Science & Engineering, Cornell University

The Journal of Macromolecular Science, Pure and Applied Chemistry is pleased to announce the addition of Professor Daniel F. Schmidt as Associate Editor. He will join Professor Bill Culbertson on our staff. Professor Schmidt has served this Journal as an Editorial Board member for the last few years and has not only been extremely active in devising new methods to improve the Journal, but has served as an ardent advocate for the journal in the field of Science. He has also been a pleasure to work with. We welcome Professor Schmidt to the Taylor and Francis family and not only look forward to his input but to his enthusiasm and expertise. We hope you all join us in welcoming Professor Schmidt to our staff.

*Dr. Russell A. Gaudiana, Executive Editor*  
*Lyn Roberts, Managing Editor*
