Titanium dioxide induced failure in polycarbonate

K. M. BLACKWOOD *et al.*

Figures 6 and 10 were labelled incorrectly and the correct versions are printed below:

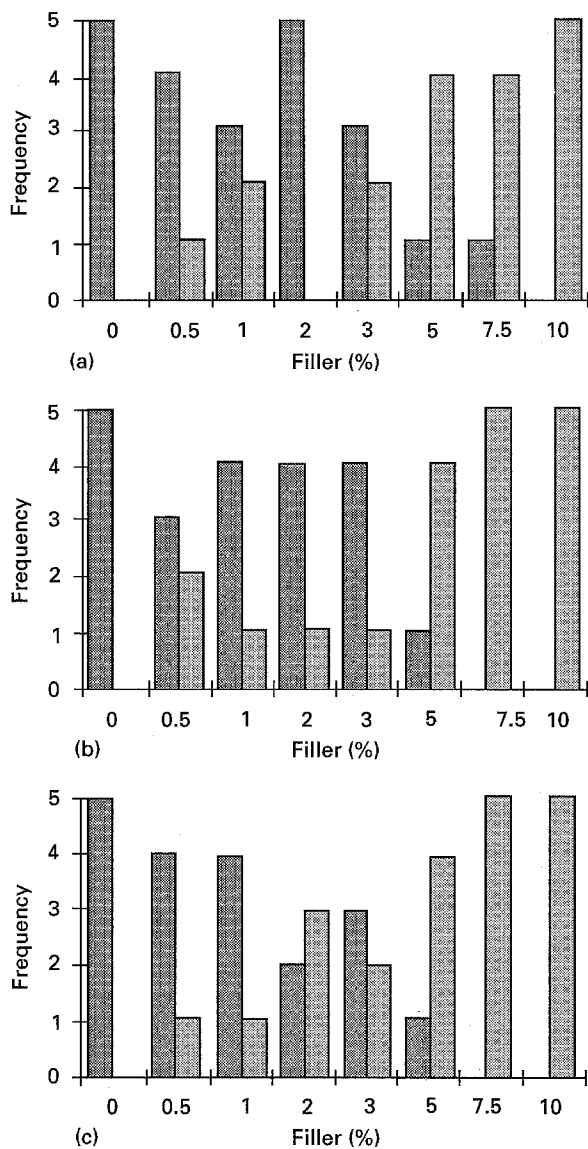

Figure 6 Histogram illustrating the distribution between (■) ductile and (□) brittle failures in the mechanical tests of dried PCD (a), PCA (b) and dried PBT (c).

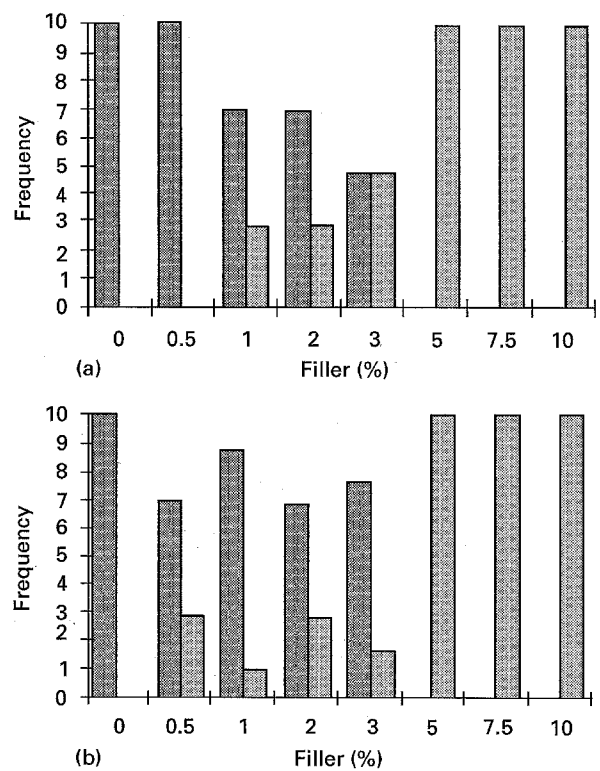

Figure 10 Histogram illustrating the distribution of (■) ductile and (□) brittle failures in the impact tests of dried PCD (a), dried PCA (b).
