Due to Springer's error, the paper by Y. Estrin and H. S. Kim entitled 'Modelling microstructure evolution toward ultrafine crystallinity produced by severe plastic deformation'

was published in two separate editions of J Mater Sci [Vol. 42(5), pp. 1512–1516, 2007 (doi 10.1007/s10853-006-1282-2) and Vol. 42(21), pp. 9092–9096, 2007 (doi 10.1007/s10853-006-1260-8)]. The second publication of this paper should be disregarded and all references should cite the first version.
