

MICROSTRUCTURAL PROCESSES IN IRRADIATED MATERIALS

Proceedings of the Symposium on
Microstructural Processes in Irradiated Materials

San Francisco, CA, USA
14–17 February 2005

Editors:

Charlotte Becquart

*Laboratoire de Métallurgie Physique et Génie des Matériaux
Université des Sciences et Technologies de Lille, France*

Hideki Matsui

*Institute of Materials Research
Tohoku University, Japan*

Lance Snead

*Metals and Ceramics Division
Oak Ridge National Laboratory, USA*

Brian D. Wirth

*Nuclear Engineering Department
University of California, Berkeley, USA*
