

ERRATUM

R. H. BANEY AND R. J. SHINDORF

Electronic effects on ligand redistribution between $RR'R''SiCl$ and Me_3SiNMe_2
J. Organometal. Chem., 6 (1966) 660-663.

Table 2 and discussions pertaining to it should be ignored. The signs of the ρ^* are in error and the value for MeO/Cl should be 1.35 rather than 0.35.
