

Corrigendum

Crystal and molecular structure of $[\text{CH}_3\text{C}(\text{S})\text{CHC}(\text{S})\text{CH}_3][\text{CH}_3\text{S}(\text{O})(\text{CH}_2)_2]\text{Ni}$; by D.S. Dudis and J.P. Fackler, Jr. (*J. Organomet. Chem.*, 249 (1983) 289–292).

Unfortunately figures 1 and 2 were omitted from this paper, they are given below.

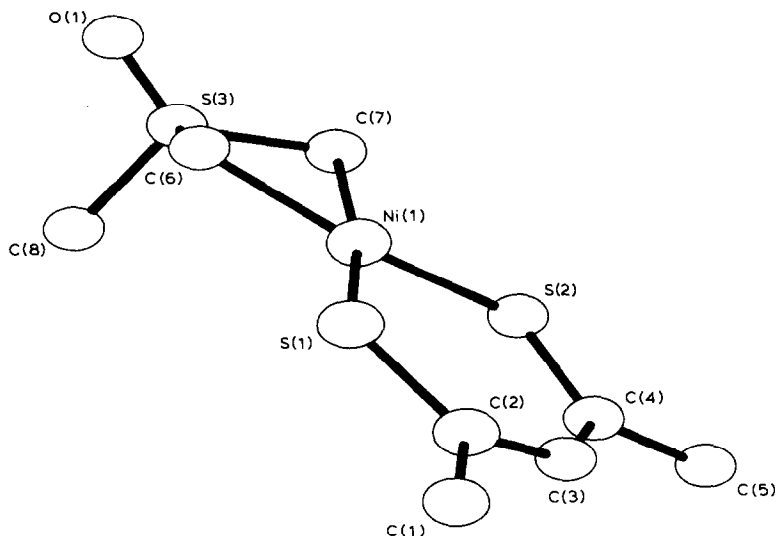

Fig. 1. PLUTO diagram of single molecule.

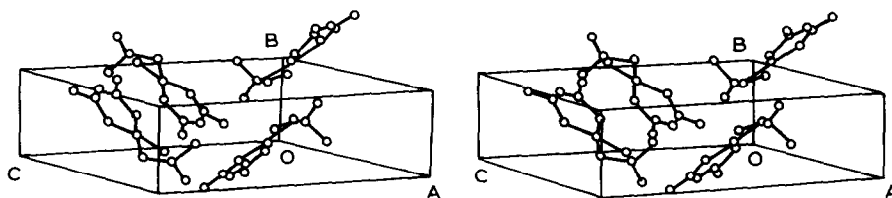

Fig. 2. PLUTO stereograph packing diagram.

Erratum

1,4:3,6-Dianhydro-2,5-dideoxy-2,5-bis(diphenylphosphino)-L-*iditol*. A new chiral ligand for asymmetric hydrogenation with rhodium complexes as catalysts; by J. Bakos, B. Heil and L. Markó (*J. Organomet. Chem.*, 253 (1983) 249–252).

Page 251, the title of Table 2 should read

Asymmetric hydrogenation of $Z\text{-PhCH}=(\text{NHCOR}')\text{COOR}^a$
