

## Corrigendum

---

Re: **The synthesis and characterisation of the novel cluster,  $\text{Ru}_4\text{Te}_2(\text{CO})_{12}$** , by P. Mathur and B.H.S. Thimmapa (*J. Organomet. Chem.*, 365 (1989) 363–366)

The following “*Note added in proof*” has inadvertently been omitted from the text:

Further X-ray structural analysis of the compound shows in fact that the molecular formula is  $\text{Ru}_4\text{Te}_2(\text{CO})_{11}$ ; the geometry of the cluster core remains the same as mentioned in the paper.
