

## Curriculum Vitae of Sheng Hsien Lin

**Date of Birth**

September 17, 1937

**Education**

Taiwan University	1958	B.S.
Taiwan University (with K. Pan)	1960	M.S.
ROTC Training	1960–1961	
University of Utah (with H. Eyring)	1964	Ph.D.
Columbia University		
Postdoctoral Fellow (with R. Bersohn)	1964–1965	

**Area of Specialization**Physical Chemistry  
Theoretical Chemistry**Professional Experience**

National Taiwan University		
Research Assistant	1961–1962	
Arizona State University, Department of Chemistry		
Assistant Professor	1965–1968	
Associate Professor	1968–1972	
Professor	1972–1995	
Adjunct Professor	1995–	
Royal Institute, London and University of Cambridge		
Department of Theoretical Chemistry		
Visiting Professor (September–July)	1972–1973	
Technical University of Munich		
Visiting Professor	1979–1980, 1987	
University of Louis Pasteur		
Visiting Professor	1987, 1993	
Institute of Atomic and Molecular Sciences, Academia Sinica		
Director	1993–2001	
Fujian Institute for the Studies on Structure of Matter		
Guest Research Fellow	1994–	
Institute of Atomic and Molecular Sciences, Academia Sinica		
Distinguished Research Fellow	1993–2007	

**Honors and Awards**

Alfred P. Sloan Fellowship	1967–1971
John Simon Guggenheim Fellowship	1971–1973
Alexander von Humboldt Foundation, U.S. Senior Scientist Award	1979–1980, 1986
Elected Member of Academia Sinica	1984–
Honorary Professor of Nanking University	1988–
Regents' Professor of Arizona State University	1988–
Kai-Ying Tsing Distinguished Scholar	1993
Eminent Scientist of RIKEN	1995
Taiwanese American Foundation Prize	1995
Honorary Professor, Xiamen University	1997–
Shonan Lecturer	2000
Morino Lecturer	2001
Honorary Professor, Jilin University	2006–
Chinese Chemical Society Award	2006

**Editorial Positions**

Chinese Journal of Chemical Physics	
Adisory Board	1993–
Lecture and Course Note Series of World Scientific Publishing Co.,	
Editor	1990–present
World Scientific Publishing Co.	
Editorial Advisory Committee Member	1982–present
Journal of Chinese Chemical Society,	
Editor	2001–2006
International Journal of Computational and Theoretical Chemistry,	
Editorial Board	2001–
Tamkang Journal of Science and Technology,	
Editorial Board	2001–
