

## Erratum

Volume 43, Number 3 (1982), in the article "Lattice Matching and Thermal Expansion in the Pb-Sn-Te System" by Y. Sternberg, N. Yellin, S. Cohen, and L. Ben Dor, pages 364-367, Fig. 2b on page 365 is incorrect. The revised figure is given below.

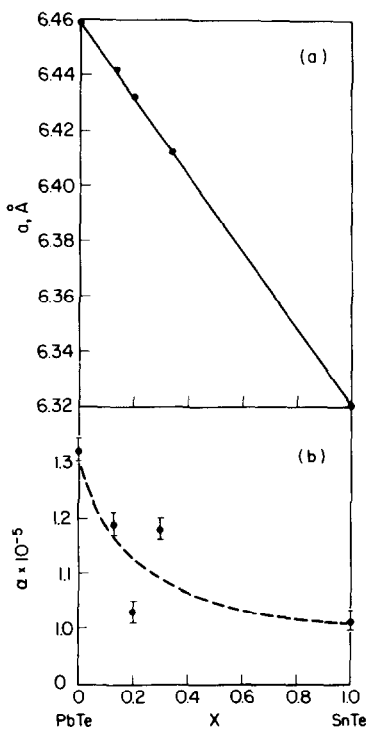

FIG. 2. (a) Lattice parameter at 0°C,  $a_0$ , and (b) thermal expansion coefficient,  $\alpha$ , for the  $\text{Pb}_{1-x}\text{Sn}_x\text{Te}$  alloy system.
