R. M. GRICE and R. J. PINNINGTON 2000 *Journal of Sound and Vibration* **230**, 825–849.
A method for the vibration analysis of built-up structures, Part I: Introduction and analytical analysis of the plate-stiffened beam (doi:10.1006/jsvi.1999.2657)

R. M. GRICE and R. J. PINNINGTON 2000 *Journal of Sound and Vibration* **230**, 851–875.
A method for the vibration analysis of built-up structures, Part II: Analysis of the plate-stiffened beam using a combination of finite element analysis and analytical impedances (doi:10.1006/jsvi.1999.2658)

The pagination details in reference [1] of both the above papers were incorrectly stated. The publishers apologize for any inconvenience this may have caused.

Please substitute the following for Reference [1] in the respective papers:

Part I — page 845:

R. M. GRICE and R. J. PINNINGTON 2000 *Journal of Sound and Vibration* **230**, 851–875.
A method for the vibration analysis of built-up structures, Part II: Analysis of the plate-stiffened beam using combination of finite element analysis and analytical impedances (doi:10.1006/jsvi.1999.2658)

Part II — page 874:
