

## ERRATA

Due to errors made during the production process, the following three papers were printed incorrectly. With apologies to all authors concerned, the correct versions of the text follow.

S. HASE, A. TAKATSU, S. SATO, H. SAKAI and Y. ANDO 2000 *Journal of Sound and Vibration* **232**, 149–155. Reverberance of an existing hall in relation to both subsequent reverberation time and SPL (jsvi.1999.2690)

Caption of horizontal axis in Figure 3 is dropped. The correct description is the following.
