

**IMPORTANT ANNOUNCEMENT**

Because of the increasing flow of very good papers from research workers throughout the world, *Journal of Statistical Physics* will be expanding in 1977. While the journal will continue to be published monthly, the number of pages published in 1977 will be increased by 20%. The subscription rates for Volumes 16 and 17 will be \$80.00 per volume (\$160.00 per year).
