Erratum: The Hilbert Expansion to the Boltzmann Equation for Steady Flow[1]

Can F. Delale

The attention of the reader is drawn to the following misprint which appeared in the above referenced paper:

Page 599, the second term of line 11 of equation (5.2) should read

$$- \frac{1}{n^{(0)}T^{(0)2}} J_s\left(\varkappa_i, \psi^{(1)}\right) \frac{\partial T^{(0)}}{\partial x_i} \; .$$

---
