

3rd ANALYTICAL CONFERENCE

BUDAPEST — HUNGARY

The Analytical Chemistry Section of the Hungarian Chemical Society under the sponsorship of the IUPAC and the Department for Chemical Sciences of the Hungarian Academy of Sciences is organizing a Conference on Analytical Chemistry in the period of 24—29th August, 1970 in Budapest with international participation.

Sections: Thermal analysis
Separation methods in analytical chemistry
Organic analysis.

Correspondence should be addressed to: Hungarian Chemical Society, Budapest, V., Szabadság tér 17. Hungary.
