CORRIGENDA

In Volume 9 the following is to be corrected:

In the paper of G Berchiesi et al., on page 176 in Table 4 the head line of the second column should read:

$$1/A, \ (\text{poise ml})^{-1}.$$

On page 455 the correct formula is:

$$b_v = \pi/2 \ (l_2/2 + r_c)^2 \ l_1 N \ ;$$

On page 456 the correct caption of Fig. 1/b is:

Dependence of the viscosity on the temperature of a: Margaric acid; b: Pentadecanoic acid; c: Tridecanoic acid; d: Hendecanoic acid, ordinate from 0.7 to 1.0; e: Acetic acid, ordinate from 0.04 to 0.12.
