

REGULAR MEETING, April 1st, 1887.

Prof. A. R. Leeds in the chair.

The minutes of the February meeting and those of the meeting of the Board of Directors were read and approved.

Prof. H. L. Grant of the Nebraska State Normal School, Peru, Neb., was proposed as a regular member.

Prof. Bedford took the chair to allow Prof. Leeds to read his paper on "Methods of Isolation and Estimation of Coloring Matter in Butters." Mr. Rupp read a paper by Mr. J. H. Stebbins, Jr., "Upon a New Method of Detecting and Estimating Coloring Matter in Butter and its Substitutes," and another by title on the "Estimation of Tannin with Critical Notes on the Methods of Hammer and Loewenthal" by Dr. Rau. The meeting was then adjourned.

T. D. O'CONNOR,
Recording Secretary.
