

The regular meeting was called for June 7th, 1889.

No quorum.

An informal meeting was held. The secretary announced the receipt of a letter from Kékulé acknowledging the notification of his election to honorary membership.

The following papers were read by Dr. L. H. Friedburg :

1. The reaction of hydrogen peroxide with potassium permanganate, in presence of sulphuric acid. By A. Bourgougnon.

2. Some general considerations on Isomerism (second paper),\*  
by Dr. L. H. Friedburg.

Discussion followed.

DURAND WOODMAN, Rec. Sec'y.
