

A. O. C. S. to Hear 18 Papers and Elect Officers May 20-22

AS THE May issue of the Journal goes to press, everything is in readiness in New Orleans, La., for the 38th annual meeting of the American Oil Chemists' Society to be held on May 20-22 at the Roosevelt hotel with Col. H. P. Newton of the Southern Regional Research Laboratory as general chair-

T. H. HOPPER

man. An attendance of about 400 members and guests is expected. The opening session on May 20 will be devoted to reports by committees and officers, and the final session on Thursday afternoon will also be a business session, conducted by President S. O. Sorensen of the Archer-Daniels-Midland Company, for the hearing of reports, election of officers, and consideration of other matters.

Six technical papers will be presented on Tuesday afternoon, and five on Wednesday morning. That afternoon will be open, for the annual golf tournament under the direction of F. G. Dollear and other diversions. Thursday morning will be devoted to a symposium on analytical methods, at which T. H. Hopper will preside.

Entertainment for the ladies will comprise a ride on the Good Neighbor, pleasure boat owned by the Board of Commissioners for the Port of New Orleans, a luncheon at the New Orleans Country club, and a tour of the historic French Quarter. Arrangements are in charge of Mrs. Hopper. The annual banquet will be held Thursday evening with J. J. Ganucheau as chairman. Other local chairmen are Elisha F. Pollard, registration; C. L. Hoffpauir, printing; J. A. Kime, publicity; and E. A. Gastrock, secretary-treasurer.

Two board meetings will be held, one on Monday with President Sorensen presiding and one on Friday with the incoming president in the chair. Members of the present Governing Board are, in addition to Mr. Sorensen: R. T. Milner, first vice president and membership chairman, who is slated to become president for 1947-48; H. E. Longenecker, second vice president; C. P. Long, third vice president; L. B. Parsons, fourth vice president; H. L. Roschen, secretary; and J. P. Harris, treasurer. Others are R. R. King, K. S. Markley, L. M. Kishlar, and H. S. Mitchell. After the election Mr. Sorensen will become a board member and Mr. Mitchell will retire.

Mail election by the use of proxies has been conducted again this spring by the Society with Mr. King as chairman, assisted by E. W. Colt, G. A. Crapple, Mr. Hopper, and John R. Mays, Jr. Members who have not sent in proxies may vote in person on May 22.
