

MEET THE NEW ORLEANS COMMITTEE

Social arrangements take their turn for attention at the New Orleans meeting, May 10-12: T. H. Hopper (left), general chairman; Mrs. Frank G. Dollear, ladies' chairman; and J. J. Ganucheau, banquet chairman.

Traditional Events Mark May Meeting

AMONG the New Orleans committee personnel at work on arrangements for the 40th annual meeting on May 10-12, 1949, at the Roosevelt hotel are T. H. Hopper, general chairman for the second year, Mrs. Frank G. Dollear, ladies' chairman, and J. J. Ganucheau, banquet chairman. Mr. Hopper is head of the Analytical, Physical Chemical, and Physical division of the Southern Regional Research Laboratory, and Mr. Ganucheau is district chemist for the Southern Cotton Oil Company, Gretna, La.

Also at work early are members of the Golf Committee who are obtaining prizes for the traditional golf tournament: F. C. Magne, chairman, J. B. Geigh, J. P. Harris, N. C. Hamner, H. S. Mitchell, Henry Odeen, and J. J. Vollertsen. Anyone who wishes to offer a prize may communicate with Mr. Magne at 2100 Robert E. Lee Blvd., New Orleans, or any member of the committee.

Ladies' entertainment will include a walking tour of the French Quarter and luncheon, also tour of the New Orleans harbor. Past presidents will hold their 6th annual dinner meeting at Arnaud's restaurant on May 10 at 7 p.m.

Hotel reservations should be made through Col. H. P. Newton at 2100 Robert E. Lee Blvd., New Orleans 19, rather than direct to the hotel.

In addition to the technical program, of which K. S. Markley is in charge, there will be reports by committees and officers, address by President C. P. Long, and a business session for the election of officers and transaction of other Society business. The outgoing and incoming Governing Boards will also meet.

Call to Annual Meeting

Members of the American Oil Chemists' Society are invited to attend the 40th annual meeting to be held on May 10-12, 1949, in New Orleans, La., at the Roosevelt hotel. Various items of business will be transacted, committee reports will be given, and election of officers will be announced.

C. P. Long, president

H. L. Roschen, secretary

An improved type of mill for the grinding of plastic type materials, known as the No. 2 S-P Mill, has just been announced by PULVERIZING MACHINERY COMPANY, 255 Chatham road, Summit, N. J., manufacturers of pulverizers and dust collecting systems.
