

## Announce Speakers for Drying Oil Course

A PARTIAL list of the speakers for the 1950 short course on drying oils to be held at the University of Minnesota August 7-11 is announced by J. P. Harris, chairman of the Education Committee of the American Oil Chemists' Society. Co-sponsor is the Federation of Paint and Varnish Production Clubs, which has designated Gordon Robertson as chairman of its committee on the course. The local Minneapolis committee on arrangements comprises S. O. Sorensen, W. H. Goss, and J. E. Kortum. Enrollment will be limited to 100, and selection will be made after May 1. The registration fee for men in industry will be \$25, and for students, \$10.

J. E. Kortum

Among the speakers will be Mr. Sorensen, Archer-Daniels-Midland Company on economic aspects of the drying oil industry; D. H. Wheeler, General Mills inc., on the chemistry of drying oils; J. W. Dunning, V. D. Anderson Company, on mechanical extraction; Max Kantor, Northwest Linseed Division, Falk and Company inc., on refining;

S. W. Gloyer, Pittsburgh Plate Glass Company, on fractionation; P. O. Powers, Battelle Memorial Institute, on heat bodying; G. A. O'Hare, Congoleum-Nairn inc., on blowing and linoleums; R. L. Terrill, Spencer Kellogg and Sons inc., on dehydration of castor oil; A. G. Hovey, consultant, on co-polymerization; J. C. Cowan, Northern Regional Research Laboratories, on isomerization and transesterification; C. G. Moore, Glidden Company, on alkyls; L. L. Carrick, University of Michigan, on paints; and I. M. Bernstein, Gotham Ink and Color Company, on printing inks. Dean J. C. Nolte of the university will open the proceedings.

J. C. Cowan

Applications should be sent to Fred E. Berger at the University of Minnesota, together with the fees. Students will make the Continuation Center their headquarters for classes, meals, and housing.

Previous short courses were on edible oils at the University of Illinois in 1948 and 1949.

ARNOLD, HOFFMAN AND COMPANY announces the appointment of Carl E. Barnes as director of research and Chauncey E. Allard as associate director.
