**LABORATORY APPARATUS AND REAGENTS**

WEST WASHINGTON SQUARE

PHILADELPHIA 5, PA., U. S. A.

Cable Address, "BALANCE," Philadelphia

Members of the Education Committee met on August 16, 1951, in Chicago to plan details for the 1952 short course on soaps and synthetic detergents, to be held probably in August at Rutgers University, as a five-day lecture series on production and processing. Foster D. Snell of New York City will be chairman. Shown above are A. R. Baldwin, H. R. Kraybill, K. F. Mattil, Dr. Snell, E. M. James, vice president of the Society, and J. P. Harris, chairman of the committee. Details of registration and dates will be available about the first of the year.

### Complete Committees
