

Per pound of actual monoglyceride, no emulsifier you can get is less expensive than Myverol® Distilled Monoglycerides. And monoglycerides are what do the work.

Myverol Distilled Monoglycerides are available in bulk from most common fats and oils. For information, write *Distillation Products Industries*, Rochester 3, N. Y. Sales offices: New York, Chicago, and Memphis • W. M. Gillies and Company, Los Angeles, Portland, and San Francisco • Charles Albert Smith Limited, Montreal and Toronto.

*distillers of monoglycerides
made from natural fats and oils*

Also . . . vitamin A in bulk for foods and pharmaceuticals

Distillation Products Industries
is a division of **Eastman Kodak Company**
