Thomas GIVES YOU
SUPERIOR SERVICE
because...

You deal with headquarters

Competent technological staff on call.
Orders filled promptly from vast warehouse.

You draw on large stocks

Three to six months supplies of 22,000 items—mostly pre-packaged—in our stock for immediate shipment.
Widest assortments of Corning, Kimble and Coors items available from any single source.

You select from 1726-page catalogue and supplement

An encyclopedic catalogue and supplement with factual, detailed descriptions—standard reference source throughout the free world.

You save time and money

Extensive pneumatic tube systems and conveyors speed delivery of orders.
More than 92% of orders shipped within two working days after receipt.
Accurate invoices and packing lists.
Substantial packing which keeps breakage to less than 1/20th of 1%.
One-price policy which insures lowest prices to all buyers—advance quotations unnecessary.

You are assured of satisfaction

Stocks carefully selected and continually inspected for quality and performance.
Prompt refund for any item found to be unacceptable for any reason.
