

Harris and Hoerr Elected to Top AOCS Posts

1965 Officers Installed

J. C. Harris

C. W. Hoerr

The AOCS Nominating and Election Committee have officially announced that J. C. Harris was elected to the Presidency of the Society for the 1965-1966 term of office. Mr. Harris, Manager, Applications Research, Monsanto Research Corp., Dayton, Ohio, has carried out numerous assignments during his thirteen years as a member of AOCS.

The incoming Vice-President, C. W. Hoerr, also has an impressive record of achievements for the Society. He is Assistant to the Director of R & D, Durkee Famous Foods, Chicago, Ill.

New Secretary of the Society's Governing Board is J. C. Cowan, Chief, Oilseeds Crop Laboratory, Northern Utilization and Research Division, ARS, USDA, Peoria, Ill.

Beginning his 13th term as Treasurer is A. F. Kapecki, Director, Wurster and Sanger International Inc.

For Board Members-at-Large, K. E. Holt, N. H. Kuhrt,

J. C. Cowan

N. H. Kuhrt

Raymond Reiser

K. E. Holt

Kapecki Begins 13th Term

and Raymond Reiser are the elected officials.

Mr. Holt is Director of Quality Control, ADM, Minneapolis, Minn.; Mr. Kuhrt, Research Associate, Distillation Products Ind., Rochester, N.Y.; Mr. Reiser is Professor, Biochemistry and Nutrition, Texas A&M University.

Announcement and installation of the new officers took place at the 56th Annual Spring Meeting of the Society in Houston last month.

A. F. Kapecki

Analabs to Sponsor Symposium on Metabolic Roles of Lipids

Analabs, Inc., Hamden, Connecticut, manufacturers of chemicals and accessories for use in gas chromatography, announces that it will sponsor a symposium entitled "Metabolic Roles of Lipids," which will be presented at the Fall meeting of the American Oil Chemists' Society in Cincinnati, Ohio, Oct. 11-13, 1965. F. A. Kummerow, Director of the Burnside Research Laboratory, University of Illinois, is in charge of organizing the program and will serve as chairman.

Bound reprints of the papers presented will be made available by Analabs at a nominal charge.

Further information regarding the program can be obtained from C. H. Hauber, Executive Secretary, American Oil Chemists' Society, 35 E. Wacker Drive, Post Office Box 5215, Hamden, Connecticut 06518.

Technicon Announces 1965 Symposium on Automation in Analytical Chemistry

The 1965 Technicon International Symposium on Automation in Analytical Chemistry will be held Sept. 8-10, at the Statler-Hilton Hotel, New York, N. Y.

The 1964 Symposium attracted more than 2,000 registrants. Eighty-two papers were given in what was probably the most comprehensive program ever presented in the subject field, including state-of-the-art papers on systems, methods, and techniques in industrial chemistry and process control, general research, biochemistry and clinical chemistry.

Admission, while free, will be by preregistration only. For further information, contact E. C. Whitehead, Technicon, Research Park, Chauncey, N. Y.
