Cincinnati Chairmen Report

Program Designed to Meet Growth in Technology

Set for October 11-13, 1965, the 39th Annual Meeting of AOCs will convene at the Netherlands Hotel in Cincinnati. Reports of the official committee chairmen, pictured here, indicate that their coordinated efforts will produce a program to match the high standards set by earlier meetings.

The June issue of JAOCS carried a report by E. S. Lutton, chairman of the Technical Committee, which promises a broad-based, stimulating technical program. The August issue of JAOCS is scheduled to carry complete titles and abstracts.

Ladies' Program Set

Mrs. Sally Sallee, Ladies' Entertainment Chairman and your hostess at the Cincinnati Meeting, has announced tentative plans for an extremely interesting Ladies' Program.

Monday there will be a tour of some of the outstanding homes in the fine residential section of Cincinnati, Hyde Park. This tour will be followed by luncheon at a well known Cincinnati restaurant.

Tuesday an all-day boat trip on the Ohio has been arranged with lunch to be served aboard the boat. This should prove to be most rewarding. During the early fall, particularly in mid-October, a beautiful kaleidoscope of colors adorns the hills and there is a change of scene at every bend of the river. You will arrive relaxed and invigorated to attend the banquet, entertainment and the dance on Tuesday evening.

Wednesday a behind-the-scenes tour of southern Ohio's largest department store is planned.

Final details and schedules have not yet been worked out, but even with such a full program of activities, there will be plenty of time for shopping—and how convenient with Cincinnati's major department stores all within two blocks of Convention Headquarters at the Netherland-Hilton Hotel.
